Chapter 11

Case No. 19-12809 (JKS)

(Jointly Administered)

**NOTICE OF BAR DATES FOR FILING CLAIMS (INCLUDING CLAIMS UNDER
SECTION 503(b)(9) OF THE BANKRUPTCY CODE)**

**TO ALL KNOWN CREDITORS OF THE ABOVE-CAPTIONED ENTITIES
(COLLECTIVELY, THE “DEBTORS”):**

On May 1, 2019, the United States Bankruptcy Court for the District of New Jersey (the “*Court*”) entered an order (the “*Bar Date Order*”) in the above-captioned chapter 11 cases establishing certain claims bar dates.

Pursuant to the Bar Date Order, the Court has established **June 18, 2019 at 5:00 p.m., prevailing Eastern Time** as the general bar date (the “*General Bar Date*”) for filing prepetition

¹ The Debtors in these chapter 11 cases and the last four digits of each Debtor’s taxpayer identification number are as follows: New England Motor Freight, Inc. (7697); Eastern Freight Ways, Inc. (3461); NEMF World Transport, Inc. (2777); Apex Logistics, Inc. (5347); Jans Leasing Corp. (9009); Carrier Industries, Inc. (9223); Myar, LLC (4357); MyJon, LLC (7305); Hollywood Avenue Solar, LLC (2206); United Express Solar, LLC (1126); and NEMF Logistics, LLC (4666).

claims in the Debtors' chapter 11 cases. Proofs of claim of governmental units must be filed by August 12, 2019 at 5:00 p.m., prevailing Eastern Time (the "***Governmental Bar Date***").

Except as described below, the Bar Date Order requires all persons or entities that have or assert any prepetition Claims against the Debtors to file Proofs of Claim with Donlin, Recano & Company, Inc. ("DRC"), the claims and noticing agent in the chapter 11 cases, so that their Proofs of Claim are actually received by DRC on or before the General Bar Date.

For your convenience, enclosed with this Notice is a proof of claim form, which identifies on its face the amount, nature, and classification of your Claim(s), if any, listed in the Debtors' schedules of assets and liabilities filed in these chapter 11 cases (the "Schedules"). If the Debtors believe that you hold a Claim against more than one Debtor, you will receive multiple proof of claim forms, each of which will reflect the nature and amount of your Claim listed in the Schedules.

THE FACT THAT YOU HAVE RECEIVED THIS NOTICE DOES NOT MEAN THAT YOU HAVE A CLAIM OR THAT THE DEBTORS BELIEVE YOU HAVE A CLAIM.

KEY DEFINITIONS

As used in this Notice, the term "Petition Date" shall mean February 11, 2019.

As used in this Notice, the term "entity" (or "entities") has the meaning given to it in section 101(15) of the Bankruptcy Code, and includes, but is not limited to, all persons (including, without limitation, individuals, partnerships and corporations), estates, trusts, and governmental units.

As used in this Notice, the term "governmental unit" (or "governmental units") has the meaning given to it in section 101(27) of the Bankruptcy Code and includes, without limitation, the United States; states; commonwealths; districts; territories; municipalities; foreign states; or departments, agencies or instrumentalities of the United States.

As used in this Notice, the term "Claim" (or "Claims") shall mean, as to or against the Debtors and in accordance with section 101(5) of the Bankruptcy Code: (a) any right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, legal, equitable, secured or unsecured; or (b) any right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

THE BAR DATES

The Bar Date Order established the following bar dates for filing Proofs of Claim in these chapter 11 cases:

- a. The General Bar Date: Pursuant to the Bar Date Order, the last date and time for all persons and entities, (including, without limitation, individuals, partnerships, corporations, joint ventures, and trusts) that assert a Claim, **including, without limitation, any claims under section 503(b)(9) of the Bankruptcy Code** (each, a “**503(b)(9) Claim**”), secured claims, and priority claims, which arose on or prior to the Petition Date, to file a Proof of Claim on account of such Claim is **June 18, 2019 at 5:00 p.m. (prevailing Eastern Time)** (the “**General Bar Date**”).
- b. The Government Bar Date: Pursuant to the Bar Date Order, the last date and time for governmental units to file a Proof of Claim on account of a Claim against the Debtors which arose on or prior to the Petition Date is **August 12, 2019 at 5:00 p.m. (prevailing Eastern Time)** (the “**Government Bar Date**”).
- c. The Amended Schedules Bar Date: If the Debtors amend or supplement their Schedules subsequent to the service of this Notice, the Debtors will give notice of any such amendment or supplement to the holders of Claims affected thereby, and such holders shall be afforded **the later of (i) the applicable Bar Date or (ii) 5:00 p.m. (prevailing Eastern Time) on the date that is twenty-one (21) days from the date on which such notice is given, to file Proofs of Claim in respect of their affected Claims** (the “**Amended Schedules Bar Date**”). Any person or entity who files a Proof of Claim before the Schedules are amended shall not be required to file another Proof of Claim, unless the claimant disagrees with the scheduled claim, as amended, in which case, the claimant must file another Proof of Claim so as to be received by the Amended Schedules Bar Date.
- d. The Rejection Bar Date: The last date and time for any person or entity (including, without limitation, individuals, partnerships, corporations, joint ventures, and trusts) whose Claim arises out of the Court-approved rejection of an executory contract or unexpired lease in accordance with section 365 of the Bankruptcy Code (a “**Rejection Damages Claim**”) to file a Proof of Claim on account of such Rejection Damages Claim is **the later of (i) the applicable Bar Date or (ii) 5:00 p.m. (prevailing Eastern Time) on the date that is thirty (30) days following the entry of the order approving the rejection of the executory contract or unexpired lease pursuant to which the entity asserting the Rejection Damages Claim is a party** (collectively with the General Bar Date, the Government Bar Date and the Amended Schedules Bar Date, each, a “**Bar Date**”).

Subject to terms described above for holders of claims subject to the Governmental Bar Date, the following entities must file proofs of claim on or before the General Bar Date:

- a. any person or entity whose claim against a Debtor is not listed in the applicable Debtor’s Schedules of assets and liabilities (the “**Schedules**”) or is listed in such Schedules as “contingent”, “unliquidated” or “disputed,” if such person or entity desires to participate in any of these chapter 11 cases or share in any distribution in any of these chapter 11 cases;

A Proof of Claim will be deemed timely only if the original Proof of Claim is actually received by DRC on or before the applicable Bar Date. A claimant who wishes to receive acknowledgement of receipt of its Proof of Claim may submit a copy of the Proof of Claim and a self-addressed, stamped envelope to DRC along with the original Proof of Claim.

4. ENTITIES NOT REQUIRED TO FILE A CLAIM

The Bar Date Order further provides that the following entities, whose claims otherwise would be subject to the General Bar Date or the Governmental Bar Date, need not file claims in these cases:

- a. any person or entity that already has filed a signed proof of claim against the respective Debtor(s) with the Clerk of the Court or with DRC in a form substantially similar to Official Form 410;
- b. any person or entity whose claim is listed on the Schedules if: (i) the claim is *not* scheduled as any of “disputed,” “contingent,” or “unliquidated;” (ii) such person or entity agrees with the amount, nature, and priority of the claim as set forth in the Schedules; and (iii) such person or entity does not dispute that its claim is an obligation only of the specific Debtor against which the claim is listed in the Schedules;
- c. any person or entity whose claim has previously been allowed by order of the Court;
- d. any person or entity whose claim has been paid in full by the Debtors pursuant to the Bankruptcy Code or in accordance with an order of the Court;
- e. any Debtor having a claim against any other Debtor;

² Official Form 410 can be found at <http://www.uscourts.gov/forms/bankruptcy-forms>, the Official Website for the United States Bankruptcy Courts.

- f. any person or entity whose claim is based on an equity interest in any of the Debtors, except as set forth below under the heading, “No Requirement For Stockholders to File Proofs of Interest”;
- g. any person or entity holding a claim for which a separate deadline is fixed by this Court;
- h. any person or entity holding a claim allowable under sections 503(b) and 507(a)(2) of the Bankruptcy Code as an expense of administration incurred in the ordinary course, *provided, however*, that any person or entity asserting a claim entitled to priority under section 503(b)(9) of the Bankruptcy Code must assert such claims by filing a request for payment or a proof of claim on or prior to the Claims Bar Date;
- i. Professionals retained by the Debtors or any statutory committees (each a “Committee”) pursuant to orders of the Court who assert administrative claims for fees and expenses subject to the Court’s approval pursuant to sections 328, 330, 331, and 503(b) of the Bankruptcy Code or 28 U.S.C. § 156(c); and
- j. Any person or entity holding a Claim payable to the Court or the United States Trustee Program pursuant to 28 U.S.C. § 1930.

NO REQUIREMENT FOR STOCKHOLDERS TO FILE PROOFS OF INTEREST

Any entity holding an interest in the Debtors (an “***Interest Holder***”), which interest is based exclusively upon the ownership of: (a) a membership interest in a limited liability company; (b) common or preferred stock in a corporation; or (c) warrants or rights to purchase, sell or subscribe to such a security or interest (any such security or interest being referred to herein as an “***Interest***”), need not file a proof of interest on or before the General Bar Date; *provided, however*, Interest Holders who want to assert claims against the Debtors that arise out of or relate to the ownership or purchase of an Interest, including claims arising out of or relating to the sale, issuance or distribution of the Interest, must file a claim by the applicable Bar Dates, unless another exception applies.

CONSEQUENCES OF FAILURE TO FILE A CLAIM

Any person, entity, or governmental unit not excepted from filing a Proof of Claim pursuant to the Bar Date Order, that fails to do so by the applicable Bar Date and in the form and manner provided for in the Bar Date Order, shall not be permitted to (a) vote to accept or reject any plan filed in the chapter 11 cases, (b) participate in any distribution in the chapter 11 cases on account of such Claim, or (c) receive further notices regarding such Claim.

If it is unclear from the Schedules whether your Claim is disputed, contingent, and/or unliquidated or is otherwise properly listed and classified, you must file a Proof of Claim on or before the applicable Bar Date. Any person, entity, or governmental unit that relies on the information in the Schedules bears full and absolute responsibility for determining that its Claim is accurately listed therein.

RESERVATION OF RIGHTS

Nothing in the Bar Date Order impairs, prejudices, waives or otherwise affects the rights of the Debtors and their estates to: (i) dispute, or to assert offsets or defenses to, any Claim reflected in the Schedules or any Proof of Claim filed in the chapter 11 cases, as to amount, liability, characterization or otherwise; (ii) subsequently designate any Claim reflected in the Schedules as disputed, contingent or unliquidated; and (iii) to seek a further order of the Court establishing such other deadlines and bar dates in the chapter 11 cases as may be necessary or advisable.

ADDITIONAL INFORMATION

You may be listed as the holder of a Claim against the Debtors in the Schedules. If you hold or assert a Claim that is not listed in the Schedules, or if you disagree with the amount, characterization or priority of your Claim as listed in the Schedules, or your Claim is listed in the Schedules as “contingent,” “unliquidated,” and/or “disputed,” or you dispute that the Claim is an obligation of the specific debtor entity against which the Claim is listed in the Schedules, you will be forever barred from asserting such Claim if you do not timely file a Proof of Claim in the manner provided for in the Bar Date Order. Copies of the Schedules and the Bar Date Order are available for inspection during regular business hours at the Office of the Clerk of the Court. In addition, copies of the Schedules and the Bar Date Order may be viewed on the internet for a fee at the Court’s website (<http://www.njb.uscourts.gov/>) by following directions for accessing the Court’s electronic filing system on such website, or free of charge on DRC’s website for the chapter 11 cases (<https://www.donlinrecano.com/Clients/nemf/Index>).

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate.
11 U.S.C. § 503.

Administrative expense claim under 11 U.S.C. §503(b)(9):
Administrative expense claims under 11 U.S.C. §503(b)(9) include those claims for the value of any goods received by the debtor, within 20 days before the date of commencement of a case under the Bankruptcy Code in which the goods have been sold to the debtor in the ordinary course of such debtor's business.

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

Do not file these instructions with your form.
